

Relocation Allowances

§ 302-10.200

§ 302-10.4 Are there any geographic limitations for transportation of a mobile home?

Yes, allowances for overland transportation of a mobile home may be made only for transportation within CONUS, within Alaska, and through Canada en route between Alaska and CONUS or through Canada between one CONUS point and another (e.g., between Buffalo, NY and Detroit, MI). Allowances for transportation within limits prescribed may be paid even though the transportation involved originates, terminates, or passes through locations not covered, provided the amount of the allowance shall be computed on the basis of that part of the transportation which is within CONUS, within Alaska, or through Canada en route between Alaska and CONUS or between one CONUS point and another. The cost to transport a mobile home may not exceed the cost of shipping 18,000 pounds of HHG and 90 days of temporary storage.

§ 302-10.5 May I transport a mobile home over water?

Yes, you may transport a mobile home over water when both the points of origin and destination are within CONUS or Alaska.

§ 302-10.6 Are the allowances for transporting a mobile home in addition to the allowances for per diem, mileage, and transportation expenses, for me and my immediate family member(s)?

Yes, allowances for transporting a mobile home (including mileage when towed by you) are in addition to the reimbursement of per diem, mileage, and transportation expenses for you and your immediate family member(s). However, you must consider the fact that the mobile home may be moved at Government expense only if it will be used as your residence at the new official station, and allowances under parts 302-5, 302-6, and 302-11 of this chapter will be paid accordingly.

Subpart B—Computation of Distance

§ 302-10.100 What distance will my agency allow for points of origin and destination within CONUS and Alaska?

Your agency will allow for the distance shown in standard highway mileage guides or agency designated official table of distances or actual miles driven as determined from your odometer readings, between the authorized origin and destination.

§ 302-10.101 Must I furnish actual odometer readings on the travel claim?

No, you do not need to furnish odometer readings on the travel claim but you must indicate the total miles traveled. Any deviation from the distances indicated in standard highway mileage guides or agency official table of distances must be fully explained and acceptable to your agency.

Subpart C—Computation of Allowances

§ 302-10.200 What costs are allowable when a commercial carrier transports my mobile home overland or over water?

Your agency will allow the following costs for use of a commercial carrier transporting your mobile home:

- (a) When transporting overland;
 - (1) The carrier's charge for actual transportation of the mobile home (not to exceed the applicable tariff for such movements approved by an appropriate regulatory body), provided any substantial deviation from standard highway mileage guides or agency official table of distances is explained;
 - (2) Ferry fares, bridge, road, and tunnel tolls;
 - (3) Taxes, charges or fees fixed by a State or other government authority for permits to transport mobile homes in or through its jurisdiction;
 - (4) Carrier's service charges for obtaining necessary permits; and
 - (5) Charges for a pilot (flag) car or escort services, when required by State or local law.
